

Testing for COVID-19 certificate is free

If you have plans to participate in an event, or domestic- and international travels, you will need the COVID-19 certificate.

Testing for the certificate for events, and in cases of domestic- and international travels, is free for our citizens. Read more here. As a citizen of Herøy, you can contact your primary care doctor to check if you are eligible for a test there, or you can contact private operators to preform the test.

Free testing is preformed by Medi3.

International travels

There are different rules for entry in each country, what documentation is required, and what is considered a valid COVID-19 certificate. If you chose to travel, you are required to acquire rules for quarantine, testing and infection control, for the country you are traveling to.

Events

To ensure that participants at an event is able to acquire a COVID-19 certificate based on a negative test, the event-organizers are acquired to make deals with one or multiple test-providers.

This type of testing has to be preformed before the event takes place, but no sooner than 24 hours before the event takes place.
